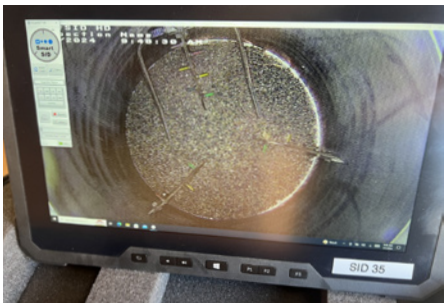
GPE MINI SID HD VCU COMPLETE UPGRADE



GPE MINI SID HD VCU COMPLETE UPGRADE

Bring your older GPE SID into modern times with a Smart SID HD VCU and tablet. We have replaced the large video cabinet with a compact Dell tablet and a wall mount HD VCU module. This can be easily installed with basic hand tools in less than an hour. It includes SS Proprietary Video Capture Software that provides the following abilities:

- Output as AVI file
- Still Shots with zoom, labeling and more.
- Record to hard drive or usb flash drive

THE UNIT WILL INCLUDE THE FOLLOWING NEW COMPONENTS:

1. Dell Tablet
2. Wall Mount VCU module
3. New Tether on Cart
4. Data Jumper Cable
5. New Camera and Bell
6. Tether bypass troubleshooting cable
7. 3000-watt Honda generator
